How Much Does It Cost?

So you're saving your pennies, dimes and dollars for something you really want. You need to save \$250.00 (it's something big!). See if you can determine how much of each denomination of money you will need to make your purchase.

How many 50 dollar bills make \$250.00?

How many 10 dollar bills make \$250.00?

How many 5 dollar bills make \$250.00?
